PREFACE

The Checklist of South Carolina State Publications was issued annually by the South Carolina Department of Archives and History for fiscal years 1950/51 through 1966/67 and by the South Carolina State Library for fiscal years 1969/70 through 1981/82. Beginning with the first quarter of fiscal year 1982/83, the Checklist is being issued quarterly. Each quarterly issue will have a cumulative index; the listing of publications will not cumulate. Publications listed are those received under authority of the State Documents Depository Act, Act 348 of 1982.

Materials are listed according to the classification system devised for South Carolina State publications, which is in general an alphabetical arrangement by key word in the issuing agency and in the publication title.

The index, first issued with the 1974/75 Checklist, is arranged alphabetically by author, title and subject. Corporate authors are excluded if the publication is classified under that author. OCLC numbers have been included since the 1981/82 Checklist. Periodicals and uncataloged ephemera are in the 4th quarter Checklist only.

Most items are available on interlibrary loan from the South Carolina State Library or for use or loan in the ten affiliate depository libraries (see p. ii). Individual items desired for permanent retention should be requested from the issuing agency. Addresses of agencies are given in the text of the Checklist; division addresses are given if they differ from the parent agency's address. All addresses are for Columbia unless stated otherwise. The following General Assembly publications may be purchased from:

Code of Laws of 1976 and supplements	Lawyers Cooperative Publishing Company, Aqueduct Building, Rochester, N.Y. 14603
Acts and Joint Resolutions Senate Journal (bound)	R.L. Bryan, Greystone Executive Park, Columbia, South Carolina 29210
Reports and Resolutions House Journal (bound)	State Printing Company, 1305 Sumter St. Columbia, South Carolina 29201
Legislative Manual	Clerk, House of Representatives, P. O. Box 11225, Columbia, South Carolina 29211

Prices are given when available, but omission of price does not mean the item is free.

Judicial publications, South Carolina Reports and Supreme Court of South Carolina: Cases Heard and Submitted--Transcript of record and briefs, are not included in the Checklist but are available for use in the Supreme Court Library, the University of South Carolina Law Library, and some other college and public libraries.

PREFACE

The Checklist of South Carolina State Publications was issued annually by the South Carolina Department of Archives and History for fiscal years 1950/51 through 1966/67 and by the South Carolina State Library for fiscal years 1969/70 through 1981/82. Beginning with the first quarter of fiscal year 1982/83, the Checklist is being issued quarterly. Each quarterly issue will have a cumulative index; the listing of publications will not cumulate. Publications listed are those received under authority of the State Documents Depository Act, Act 348 of 1982.

Materials are listed according to the classification system devised for South Carolina State publications, which is in general an alphabetical arrangement by key word in the issuing agency and in the publication title.

The index, first issued with the 1974/75 Checklist, is arranged alphabetically by author, title and subject. Corporate authors are excluded if the publication is classified under that author. OCLC numbers have been included since the 1981/82 Checklist. Periodicals and uncataloged ephemera are in the 4th quarter Checklist only.

Most items are available on interlibrary loan from the South Carolina State Library or for use or loan in the ten affiliate depository libraries (see p. ii). Individual items desired for permanent retention should be requested from the issuing agency. Addresses of agencies are given in the text of the Checklist; division addresses are given if they differ from the parent agency's address. All addresses are for Columbia unless stated otherwise. The following General Assembly publications may be purchased from:

Code of Laws of 1976 and supplements	Lawyers Cooperative Publishing Company, Aqueduct Building, Rochester, N.Y. 14603
Acts and Joint Resolutions Senate Journal (bound)	R.L. Bryan, Greystone Executive Park, Columbia, South Carolina 29210
Reports and Resolutions House Journal (bound)	State Printing Company, 1305 Sumter St. Columbia, South Carolina 29201
Legislative Manual	Clerk, House of Representatives, P. O. Box 11225, Columbia, South Carolina 29211

Prices are given when available, but omission of price does not mean the item is free.

Judicial publications, South Carolina Reports and Supreme Court of South Carolina: Cases Heard and Submitted--Transcript of record and briefs, are not included in the Checklist but are available for use in the Supreme Court Library, the University of South Carolina Law Library, and some other college and public libraries.

PREFACE

The Checklist of South Carolina State Publications was issued annually by the South Carolina Department of Archives and History for fiscal years 1950/51 through 1966/67 and by the South Carolina State Library for fiscal years 1969/70 through 1981/82. Beginning with the first quarter of fiscal year 1982/83, the Checklist is being issued quarterly. Each quarterly issue will have a cumulative index; the listing of publications will not cumulate. Publications listed are those received under authority of the State Documents Depository Act, Act 348 of 1982.

Materials are listed according to the classification system devised for South Carolina State publications, which is in general an alphabetical arrangement by key word in the issuing agency and in the publication title.

The index, first issued with the 1974/75 Checklist, is arranged alphabetically by author, title and subject. Corporate authors are excluded if the publication is classified under that author. OCLC numbers have been included since the 1981/82 Checklist. Periodicals and uncataloged ephemera are in the 4th quarter Checklist only.

Most items are available on interlibrary loan from the South Carolina State Library or for use or loan in the ten affiliate depository libraries (see p. ii). Individual items desired for permanent retention should be requested from the issuing agency. Addresses of agencies are given in the text of the Checklist; division addresses are given if they differ from the parent agency's address. All addresses are for Columbia unless stated otherwise. The following General Assembly publications may be purchased from:

Code of Laws of 1976 and supplements	Lawyers Cooperative Publishing Company, Aqueduct Building, Rochester, N.Y. 14603
Acts and Joint Resolutions Senate Journal (bound)	R.L. Bryan, Greystone Executive Park, Columbia, South Carolina 29210
Reports and Resolutions House Journal (bound)	State Printing Company, 1305 Sumter St. Columbia, South Carolina 29201
Legislative Manual	Clerk, House of Representatives, P. O. Box 11225, Columbia, South Carolina 29211

Prices are given when available, but omission of price does not mean the item is free.

Judicial publications, South Carolina Reports and Supreme Court of South Carolina: Cases Heard and Submitted--Transcript of record and briefs, are not included in the Checklist but are available for use in the Supreme Court Library, the University of South Carolina Law Library, and some other college and public libraries.

PREFACE

The Checklist of South Carolina State Publications was issued annually by the South Carolina Department of Archives and History for fiscal years 1950/51 through 1966/67 and by the South Carolina State Library for fiscal years 1969/70 through 1981/82. Beginning with the first quarter of fiscal year 1982/83, the Checklist is being issued quarterly. Each quarterly issue will have a cumulative index; the listing of publications will not cumulate. Publications listed are those received under authority of the State Documents Depository Act, Act 348 of 1982.

Materials are listed according to the classification system devised for South Carolina State publications, which is in general an alphabetical arrangement by key word in the issuing agency and in the publication title.

The index, first issued with the 1974/75 Checklist, is arranged alphabetically by author, title and subject. Corporate authors are excluded if the publication is classified under that author. OCLC numbers have been included since the 1981/82 Checklist. Periodicals and uncataloged ephemera are in the 4th quarter Checklist only.

Most items are available on interlibrary loan from the South Carolina State Library or for use or loan in the ten affiliate depository libraries (see p. ii). Individual items desired for permanent retention should be requested from the issuing agency. Addresses of agencies are given in the text of the Checklist; division addresses are given if they differ from the parent agency's address. All addresses are for Columbia unless stated otherwise. The following General Assembly publications may be purchased from:

Code of Laws of 1976 and supplements	Lawyers Cooperative Publishing Company, Aqueduct Building, Rochester, N.Y. 14603
Acts and Joint Resolutions Senate Journal (bound)	R.L. Bryan, Greystone Executive Park, Columbia, South Carolina 29210
Reports and Resolutions House Journal (bound)	State Printing Company, 1305 Sumter St. Columbia, South Carolina 29201
Legislative Manual	Clerk, House of Representatives, P. O. Box 11225, Columbia, South Carolina 29211

Prices are given when available, but omission of price does not mean the item is free.

Judicial publications, South Carolina Reports and Supreme Court of South Carolina: Cases Heard and Submitted--Transcript of record and briefs, are not included in the Checklist but are available for use in the Supreme Court Library, the University of South Carolina Law Library, and some other college and public libraries.
